Redemption Process

- Log onto www.playgroundonline.com
- Select the product and click on "Buy Now"
- In the promotion code field enter KP followed by first 6 digits of your Kotak Credit Card Number
- Click "apply" to validate the offer and see the discounted price
- Click on Proceed to Check Out and pay through your Kotak Credit Card

Terms and conditions:

- Additional 10% discount is applied on web price ("Our Price") shown on the website. This discount is applied at the time when the transaction payment is completed by the user using Kotak Credit card.
- Customers should enter KP followed by first 6 digits of the credit card number in the shopping cart screen on playgroundonline website. If the card number is valid, then discount will be applied and it will be shown clearly to the customer.
- Only valid Kotak credit card customers will be able to avail this offer during this offer period
- Playgroundonline reserves the right to change the web prices at any time.
- Free Shipping is offered only for shipping to locations in India only. This is not applicable for any international shipments using this offer.
- This offer can't be combined with any other running promotion or coupon on Playgroundonline.com. Some products listed on the website may have some restrictions in shipping to certain locations.
- All the purchases done on playgroundonline.com will be bound by playgroundonline.com website terms and conditions and return policies.
- This offer does not provide any additional warranty on the products purchased. Manufacturer warranty, if available, will be applicable.
